BAR ALTO

PHOTOGRAPHY

Photography by Judit Losh.

To complement social media scheduling and ensure Bar Alto's presence remains curated and inviting across their platforms, Liquidity undertakes regular photoshoots to highlight the seasonal produce, friendly faces, and inviting spaces on offer at Bar Alto. Shoots dedicated to particular offerings, like their brodetto lunch special, also give short-term promotions an extra push.

VIDEOGRAPHY

Videography by Fotomedia. Produced by Liquidity.

Ahead of the launch of this world-class retail and dining precinct, Liquidity was engaged to style, produce and deliver a series of videos to build anticipation of the precinct, and establish the main messaging. Working with FotoMedia, a suite of individual and group videos was shot on-location and in-studio to showcase the diverse group of flagship tenants.

PHOTOGRAPHY

Photography by Fotomedia.

To highlight the tenants from The Kitchens' flagship venues and promote the variety of food and produce on offer, Liquidity developed a striking series of portraits for use on large-scale digital billboards. We completed location scouting, shoot styling, and production to express the local, artisan focus of the exciting new precinct.
